

Archbishop Wood High School

Office of the President

Chairman
PSBA Nominating Committee

March 22, 2012

Dear Mr. Chairman,

I write to you today as a reference for Mr. Mark B. Miller as he applies for candidacy to become First Vice President of the Pennsylvania School Board Association.

As President of Archbishop Wood High School it is important for me to stay in contact with many of the representatives of our township and community in Warminster, PA. During my tenure at Archbishop Wood High School I have found Mr. Miller to be very supportive when we ask for his help. I know that he is very involved in our community through sports and other types of community service.

I hope that you will consider Mr. Miller's candidacy as First Vice President, I truly believe that he will be a tremendous asset to the School Board Association and to the people he comes in contact with.

Sincerely yours,

Gary V. Zimmaro
President

Archbishop Wood High School
