To Whom It May Concern,

It is with pleasure that I submit this letter of recommendation for Mark B. Miller as a candidate for the office of President Elect of the Pennsylvania School Boards Association (PSBA) for 2014. As Executive Director of the Bucks County Intermediate Unit, I have known Mark not only for his leadership endeavors in Bucks County but also statewide.

Mark has been an advocate for Public Schools across the Commonwealth. He has been a tireless leader in legislative matters throughout the state. He is committed to our children and committed to providing opportunities for them so that they may achieve to the optimum of their abilities.

Mark supports his community and along with his fellow School Board Directors in the Centennial School District, has provided some of the finest educational facilities in the Commonwealth. I had the privilege to attend a dedication ceremony for one of their facilities and the smiles of the students provided the much deserved thanks to Mark and his fellow School Directors. It is the pride of their community!

It is without reservation that I support the nomination of Mark B. Miller.

Sincerely,

Barry J. Galasso, Ed.D.
