March 21, 2012

Chairman, PSBA Nominating Committee
Pennsylvania School Boards Association
PO Box 2042
Mechanicsburg PA 17055

Dear Nominating Committee Chairman,

The purpose of this letter is to make you aware of the positive contributions that Mark B. Miller has made to our Centennial School District community. Mr. Miller has long been involved in civic and school district affairs, both as a parent and as an elected official.

A highlighted interest worth mentioning is his ongoing participation in youth athletics in the Warminster area. He is a past Vice President of the Warminster Softball Association, Commissioner of the Warminster Soccer Club and a League Director for the Warminster Basketball Association. He continues these pursuits today as a PIAA sports official in soccer and basketball.

Twice elected to the Centennial School Board, Mr. Miller serves as a member of the district's education committee and as an alternate member of the operations committee. In his capacity as a school director, it is not uncommon to see Mr. Miller in my District Court observing my monthly truancy hearings. His interest in our children goes far beyond just attending required meetings.

Mr. Miller has also been a friend to our local Catholic high school, Archbishop Wood, arranging special busing from the school district for these students to attend State Championship games in Hershey and State College, PA.

Mark B. Miller will bring great attributes and a positive record of public service to your association. If elected, he will bring the same compassion to this office that we have seen locally and he will be an outstanding First Vice President of the PSBA.

Respectfully,

Daniel J. Finello, Jr.
Magisterial District Judge
