RE: Mark B. Miller

Dear PSBA:

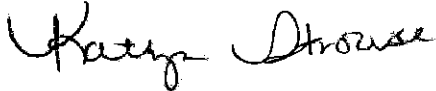

I am pleased to write this letter to recommend the endorsement of Mr. Mark B. Miller for the position of President-Elect for the Pennsylvania School Boards Association Board of Directors. As the Administrative Director of Middle Bucks Institute of Technology, I have had the opportunity to work with Mr. Miller for the past six years. Mr. Miller served as Chairperson for Building, Security and Technology Committee and Co-Chairperson for the Labor Relations Committee as an Executive Council Member of Middle Bucks Institute of Technology.

Mr. Miller confidently balances his duties as First Vice President of the Pennsylvania School Boards Association with his responsibilities as a School Director in the Centennial School District. He is visible in the community and has been unwavering in his support of Career and Technical Education, for which I am personally grateful. In January 2012, Mr. Miller testified on behalf of career and technical education before the Pennsylvania House of Representatives Education committee. He spoke about the opportunities provided to today's youth through rigorous academics, technical knowledge, and professional development. Mr. Miller practices bi-partisan politics by focusing on educational issues and student achievement. In 2013, he hosted a luncheon at Middle Bucks Institute of Technology to bring the Legislative Platform Committee and Technology Committee together with the Career and Technical Education Task Force, without regard for political affiliation, to focus on proposed budget cuts that would impact student achievement.

Mr. Miller has the ability to create a vision, articulate that vision and passionately own the vision to persistently see it through to completion. He uses good judgment in addressing

problems, is consistent in his dealings with people, and communicates high expectations, which allows everyone to know what he stands for. Without qualification, I recommend Mr. Mark B. Miller for the position of President Elect for the Pennsylvania School Boards Association.

Respectfully,

A handwritten signature in cursive script that reads "Kathryn Strouse".
