Re: Mark Miller

To the Pennsylvania School Boards Association Nominating Committee:

It is my pleasure to offer this letter of recommendation supporting the nomination of Mark Miller for the office of President Elect in 2016 of the PSBA.

Mr. Miller has held various offices within PSBA ranging from Assistant Region Director to more recently as Vice President. He is an elected School Director for the Centennial School District where he has held office since 2008 and is currently Vice President of the Board. Additionally he serves on the Board of Directors to the Network for Public Education.

Committed to community service, I have come to know Mr. Miller to be a dedicated volunteer with a commitment to education. He testified before the Education Committee at a public hearing on HB 1369 (Strike Free Education Act) which I hosted in my legislative district.

I believe that Mark Miller exemplifies all the qualities needed to be an effective President for the Pennsylvania School Board Association. It is without reservation that I recommend Mark Miller for this important position.

Sincerely,

A handwritten signature in black ink that reads "Frank A. Farry".

Frank Farry
State Representative, 142nd District
