PSBA Leadership Development Committee
PO Box 2042
Mechanicsburg, PA 17055

Dear PSBA Leadership Development Committee:

I am honored to have the opportunity to write a letter of recommendation on behalf of Mark B. Miller, for President Elect of PSBA.

Mark and I have worked together professionally, Mark as a School Director, and I as a Township Supervisor. The Centennial School District built a new elementary school in our Township. Mark worked with myself and other Township officials to see that the school was completed on time and ready to open for the 2012-2013 school year. The whole process took several years, a lot of negotiations between the school district and the Township. In the end, we all wound up with a school we can be proud of. Through the efforts of Mark, Upper Southampton Township and the Centennial School District now have a good working relationship.

I have also had the opportunity to work with Mark when I was the President of William Tennent Football Boosters. Mark came up with an idea to host a tailgating event before a football game. The event showcased the new High School and many of the student groups from the High School. We were entertained by the Marching Band, Cheerleaders, Madrigal Singers, and the Student Council. There were several booths that were run, not only by the High School booster clubs, but by other community organizations, such as the Southampton Free Library, and business partnerships such as Model's Sporting Goods.

I have known Mark for well over ten years. We have both gained a mutual respect for one another professionally. What is more important to me is that I have gained a close personal friend in Mark. He is someone who can be relied upon and trusted. I look forward to hear from Mark, that he is President Elect to PSBA.

Very Truly Yours,

A handwritten signature in black ink, appearing to read 'Keith E. Froggatt, Sr.', is written over a horizontal line.

Keith E. Froggatt, Sr.

Chairman of the Upper Southampton Board of Supervisors
