Dear Nominating Committee,

It is with great pleasure and pride that I pen this letter of recommendation on behalf of Mark B. Miller for the position of President Elect of the Pennsylvania School board Association. As the current sitting First Vice President, I strongly believe that Mark has demonstrated the experience and qualifications that will make him the perfect candidate for the position.

Throughout my years in office and through my position on the House Education Committee, I have worked directly with Mark on many projects as they have related to the Centennial School District and the Commonwealth. Without reservation, I can honestly tell you that I have never worked with anyone who was more committed to our public schools than Mark. His hard work, dedication and passion are truly second to none.

Mark has served on a variety of committees and positions with in the Centennial School District. He has testified before the House Education Committee on topics such as Charter/Cyber School reform, Career & Technical Education, Strike Free Education, the Keystone Exams and funding.

Mark's advice, assistance and leadership have been extremely valuable to me over the years. Most recently, he assisted me with work on my HB2, Special Education Funding Task Force.

I truly recommend Mark with the highest degree of confidence, pride and with great comfort in knowing what a positive force he will be for the PSBA. I appreciate your positive consideration of Mark B. Miller.

Please feel free to contact me directly if I can be of further assistance.

Respectfully,

A handwritten signature in green ink, appearing to read "B. O'Neill".
