Re: Letter of Recommendation for Mark B. Miller

Dr. Diaz Myers:

I am writing to recommend Mark Miller for an executive office of the Pennsylvania School Board Association.

In addition to the numerous positions held within both the Pennsylvania and National School Board Associations, Mark's experience as a Centennial school board director provides him with the knowledge base and leadership experience for any executive office position.

Mark's service as co-chair of the Keystone State Education Coalition and his recent appointment to the board of the Network for Public Education further demonstrate his passion and commitment to advocate for public education on a state and national level.

I can say, as Minority Chair of the Senate Education Committee, that Mark provided testimony for a Special Education Funding Commission hearing and is a constant and visible presence at public education conferences, rallies and information events.

In closing, Mark's career is a testament to his tireless commitment to strengthen and sustain public education in Pennsylvania and I have no doubt that, as a PSBA executive officer, he will continue to advocate for all students on a local, state and national level.

Sincerely,

Andrew E. Dinniman  
State Senator – 19<sup>th</sup> District
