PSBA Leadership Development Committee
P.O. Box 2042
Mechanicsburg, PA 17055

Dear Committee Members:

It is with pleasure that we submit this letter of support for Mark B. Miller to be presented as a candidate for the office of PSBA President Elect. Mark has distinguished himself as a leader in Education on state and county as well as local levels. As a PSBA director, Mark has served the organization well through his experience, insight and willingness to take on significant issues.

We have known Mark most closely as a School Board Director in the Centennial School District located in nearby Warminster, PA. In that capacity, he has been responsible for, among many things, the school district's successful building program.

In Bristol Township, when we began exploring our own building needs, Mark offered himself as a resource. He provided members of our Board and Building Optimization Committee with a tour of the new Centennial buildings and spent time with us answering our questions. It was a wonderful opportunity, and most valuable as we formulated our own plans.

On a broader scale, we know that in addition to his service with the PSBA, Mark co-chairs the Keystone State Education Assn. and has been very active working with state officials to secure equity in the balance of taxpayer outlay for charter, cyber and traditional public schools. We look forward with great interest to his regular, published opinion articles in the media.

In short, we believe Mark's experience, talent and vision, along with his passion for public education, qualify him to be an extraordinary PSBA leader. Mark personifies the very sort of champion that public schools and school boards need to take us through these challenging times.

Sincerely,

Angela Nober
President
Board of School Directors

Helen Cini
Member
Board of School Directors

Dr. Sam Lee
Superintendent
of Schools
